

This weeks columnist is Kenneth C. Mantle, newly elected president of the Campbell Chamber of Commerce.

By Ken Mantle

"KNOW YE ALL MEN BY these presents and in the name of God, Amen!"

My inheritance is quite substantial - Successful Chamber of Commerce programs initiated more than two years ago have flowered under the able direction of past officers and immediate past president, George Vierhus. The price seems high - George and first vice-president just elected Neal Royer have been or are reclining in hospitals. (Get well cards, anyone?) Personally, I think it's a pretty sneaky way to get some rest -George, after a successful tenure in office, and Neal, in preparation of a tough job ahead. (As if marshalling thousands of elementaries from K to 8th isn't a big enough task).

SOON TO TAKE PLACE events will include the installation of Chamber of Commerce incoming officers, and the 2nd Annual Congress for Community Progress. In this year of enthusiasm and community participation, we should get a lot of the 'aggiornamento' spirit. The past year has shown what a group of citizens can do to help their community-elections, bond issues, and community spirit. The gauntlet has been flung - the challenge to compete and try to beat has followed us into '68 - so the opportunity to improve the box score is here.

That handful of interested persons can become a functioning group of active leaders, and has. You'll see on Feb. 22.

THE COHESIVE ELEments between the business community, education arm, and city government is a tocsin to flagging community spirits. We'll hear more of this co-operation to expand our own objectives and to instill the respect of other communities with the City's Department of Information working hand-in-glove with our own Chamber offices. Our public safety officers and men have brought national recognition to the Orchard City through performance and ability.

TOPLESS OR BOTTOMless-take your pick at the City Council meetings. Or, how do we make our bank deposits when student parkers block the night depository (not because they are afraid of the dark, but because inconsiderate parkers are lazy). Or how does the mail get out when the mail can't get in-Or, with the best equipment in the County, why does 'Ma' Bell give second class service? Wouldn't be a bit surprised to see the year of promise (again?) in '68 or don't you mind talking over spirit voices, dial tones that repeat like a radish, and proper dialing answered by a metallic voice-'I am sorry but the number you have dialed is not in service at this time', even though you paid your bill, and have enough stock in PT&T to make Bernard Baruch look up instead of down?

OR HOW ABOUT the revised thing and planning on Campbell Ave. - widening, improving, disproving, or status quo? Hamilton Ave. and Bascom also with some unresolved 'solutions'. A responsible citizenry can always help. Active interest in our 701 Program would be beneficial. Or how about annexing some of the outlying county areas to make our city limit boundaries more compatible for services and pub lic safety, instead of having multiple fingers of corporate limits sawtoothing across the landscape? These problems are all indicative of one thing--GROWING PAINS. Let's reduce the symptoms and treat the problem at the source. Get interested. A Campbellite lives

Downtown plan gains support

A peek into the possible future of downtown Campbell was shown to city officials and interested residents at a joint study session of the 701 General Plan held at city hall Jan. 17.

An enthusiastic audience heard Planning Director Richard Hogan emphasize that no real decisions could be made at this meeting, as public hearings must be held. Nevertheless they indicated their overall support to the general concept worked out by Planning Consultant Charles Cavanaugh and the city's engineering department.

Cavanaugh, who is associated with Management Economics Research Inc., presented a plan of the downtown area showing a modified mall. The plan provides that Campbell Ave. be left open for the use of shoppers and business people, with diagonal parking at intervals on opposite sides of the street. The area would be enhanced with attractive landscaping.

Through traffic, east and west, would be facilitated on one-way leg extensions at the Campbell Ave. from the railroad tracks to an entry on Campbell near West Valley College.

Cavanaugh asked the audience if this plan was "on the right track"? Most of the city officials and audience showed their approval.

FINANCING

The big question was "how do we finance it?" Cavanaugh explained various methods of obtaining the funds including state gas tax money, possible urban renewal funds and owner participation, or a combination of all three.

He pointed out that the city engineering department had been directed to make four alternative plans for the downtown area, ranging in cost from $850,00 to $1,500,000. The variations depend on length, street width and property acquisition. William Wren, city engineer, said if gas tax funds were allocated it would be possible to accomplish a major part of the street program within five years.

He said there was a real need for storm sewers on Campbell Avenue and this could be accomplished as pro-

"Topless" Overflows

Problems created by the "topless" entertainment offered by the Classy Chassis on Bascom have overflowed tol joining private property, according to a delegation appearing Monday night before the Campbell City Council.

Marion Sandusky, chief spokesman who was representing Thomas Shaves of Courts, 11671 S. Bascom Ave., stated that the entertainment was attracting the "scum of the area" and it was not the type of clientel that Courts neighborhood type bar wished to associate.

The problem apparently stems from the fact that the Classy Chassis has only 4 parking places, and the adjacent property managers were being forced to accommodate the overflow parking to the detriment of their own businesses.

According to R.V. Hogan, planning director, no use permit was required at the time the building was constructed.

Mayor Edward J. Rogers directed Joseph Bonacina, city attorney to check into the situation and see what could be done to alleviate the problem.

Latimer zoning postponed

Town house loses appeal

Campbell City Councilmen Monday night upheld the decision of the Campbell planning commission and denied by a vote of 4-1, the appeal of Robert Meyer who sought to construct a town house complex on a two-acre parcel located on Virginia Avenue.

The denial was upheld after a lengthy public hearing was conducted by the council at which time a near-capacity audience, led by William Dixon, 916 Buchnam presented their objections to the proposed development. Dixon's arguments, supported by other opposition speakers, stressed the point that the small area being asked for the P-D zoning would result in "spot zoning" in the R-1 neighborhood and would open the way for future multi-use zoning in a predominately one family area.

It was brought out that the 32 unit town-house construction asked by Meyer would result in a high-density occupancy with increased traffic in the area. This would be contrary to the "701" plan now under consideration for adoption by the city as the over-all planning for the entire community, according to Charles Rose, councilman.

Meyer had sought for R-2-S P-D zoning for the construction of 32 Spanish type townhouses, complete with private patios, a common recreation ground and an ultimate investment of $400,000, which he felt would be "up-grading" the area in the $20,000 single resident development now in effect.

According to Meyer, a $30,000 to $32,000 R-1 home would be necessary in the area for a developer to realize his investment in the property which is 170 feet in depth.

R. V. Hogan, planning director, stated that the site would be extremely difficult to develop into R-1 sites, but the 10-acre orchard land to the east of the property, which the protestants felt might also be zoned R-3, would be easily converted to R-1 useage and would not necessarily go to high density.

HEARING POSTPONED

In other zoning matters brought to the council, Lowell Grattan asked for zone change from R-1 to R-2-S for a seven acre parcel fronting on Latimer Avenue, but backed up to Llewelyn Ave. This had already received prior acceptance by the Planning Commission.

Appearing before the council protesting zone change was Wilbur Clark 99 Llewelyn Ave., who represented nine families from Llewelyn who had not been aware of the proposed

Council filing

Tomorrow, Jan. 25, is the first day for candidates for nomination to file for the three vacancies coming up on the Campbell City Council.

There will be three seats "up for grabs" on the Council this year with the expiration of the terms of Mayor Edward Rogers, Vice Mayor William Smeed and Councilman Charles Rose.

Mayor proclaims Jaycee week

January 21 through 27 has been proclaimed Jaycee Week by Mayor Edward J. Rogers of Campbell in recognition of the great service rendered to this community by the Campbell Jaycees.

In his proclamation Mayor Rogers urges all citizens of Campbell to give full consideration to the future services of the Jaycees.

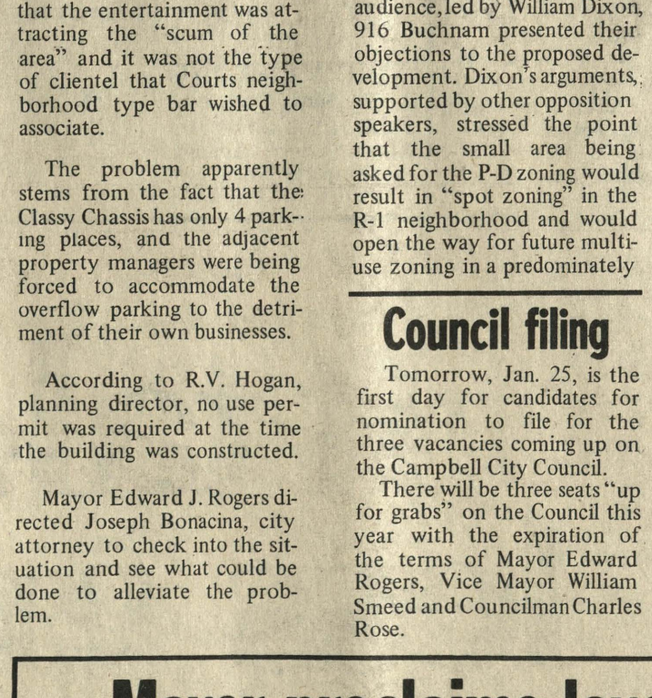
As a climax to Jaycee week the Campbell Jaycees will announce the Outstanding Young Man of 1967 on Saturday, Jan. 27 at the Jaycees annual Distinguished Service Award Dinner at Ken's House of Pancakes, Hamilton Ave., Campbell.

The main speaker will be John Vasconcellos, State Assemblyman, 24th District.

For six weeks a committee headed by Jaycee Nozer Haladwala has been canvassing churches, businesses, clubs and organizations to determine which young man, 21 through 35, has contributed the most to the community during the year. The young man does not have to be a Jaycee.

The judges will be three distinguished citizens of the community, Rev. William H. Gould, Robert Culp and Tony Bonoccorso. Their decision will be based on contributions to the general community welfare during the year; evidence of leadership ability and evidence of personal or business proggress.

The local winner will be entered in the California Jaycee contest which chooses the five outstanding young men in the state. Those winners will in turn be entered in the national competition to determine America's ten outstanding young men.



SIGNS PROCLAMATION--Mayor Edward J. Rogers signs the proclamation naming Jan. 21-27 as Jaycee Week in recognition of the services rendered to this community by the Campbell Jaycees. Looking on is Nozer Haladwala, (left) chairman of the Jaycee Distinguished Service Award and Don King, president of the Campbell Jaycees.

WV students divide on Vietnam issue

Of the some 500 students who voted in last Friday's student body elections at West Valley College, 38 per cent believe we should escalate the war in Viet Nam to bring the Communists to the bargaining table, but an almost equal number, 37 per cent, believe we should cease fire and withdraw gradually.

The remaining 25 per cent who answered the opinion poll conducted by the Republicans group, felt that "we should continue to follow present administration policy."

There was no such division on the subject of lowering the voting age to 18 for national and state elections. Of those polled, 75 per cent wanted the voting age lowered and 25 percent didn't.

On a related item, that of lowering the legal drinking age to 18, a total of 52 per cent favored lowering the age limit for imbibing; 48 per cent were satisfied with the status quo.

Legalized marijuana was opposed by 57 per cent, with 43 per cent in favor, and 57 per cent opposed abolition of capital punishment, and 43 per cent favored its abolition.

A total of 82 per cent favored holding a mock national convention on the campus next semester, and of these, 55 per cent would be interested in taking part in such a convention, they said.

Get tickets early for C of C banquet

Reservations should be made now for the annual Chamber of Commerce installation banquet slated for Friday, Feb. 2, at Villa Felice, according to Len Edholm, C of C manager. Mrs. Shirley Totaro, C of C secretary, will accept phone reservations at 378-6252.

This annual dinner has proved to be the most popular social event of Chamber activities. A cocktail hour is scheduled for 6:30 p.m. with dinner to be served at 7:30 p.m. John Faber of Campbell Memorial Chapel, will again serve as master of ceremonies. Approximately 200 persons attended last year's banquet and an even larger attendance is expected this year.

ON CAPITOL HILL

with "Charlie" Gubser

President Johnson's recently delivered State of the Union Message was disappointing because it sounded more like a political speech than a recommendation of solutions to problems facing this nation. And the Republican leadership which immediately followed on television was equally disappointing for the same reason.

The President's speech sounded like a political cafeteria--whatever anybody wanted could be picked up because it was there.

Mostly it was a 20/20 hindsight rehash of vital issues, like crime and violence in our cities, with nothing new offered as a solution. It was more of the same old disregard of American taxpayers and workingmen and and women who pay the government's bills by calling for increased spending. On the vital Vietnam issue, the President offered only a defense of present policy and nothing new.

Republicans should have resisted the temptation to answer a politically motivated speech with political cliches of their own. But unfortunately they did not. During the post session comments they did little more than talk about economy as though it were the only issue and attempt to discredit the President.

Personally, I hoped the President would offer some new idea for bringing the war in Vietnam to a close. I hoped for a novel and imaginative approach to unemployment and urban problems which amounted to something more than increased spending by a country which is already verging on international bankruptcy. If the President didn't offer such proposals, then the minority party should have. Neither side filled the void.

Certainly one of the political parties, preferably both, should have clearly stated what many of us have known for a long time, namely, that a traditional military victory in Vietnam is impossible and something different must be tried. Someone high in authority should frankly state that unless something tangible is done in a hurry for the villagers and the people in the hamlets in Vietnam we can never win our objectives. The time has come when this nation should exert true leadership by rallying all free nations in a combined effort to bring such benefits to the Vietnamese while insisting that the Saigon government conduct itself in a manner which will gain the respect of its own people.

Domestically speaking, I hoped to hear ideas as constructive as full tax reductions to private industry for the costs of retraining and employing a recognized member of the hard core of the unemployed for a specified period of time. I hoped to hear a plea for the payment of incentives to unemployables for seeking and holding a steady job.

Perhaps none of these ideas would work. But neither have our present Vietnam or domestic policies produced any degree of success. This nation needs fresh ideas and a moratorium on the political haggling over outmoded, old and tired thinking. Good debate over new ideas could reveal a new course leading to the solution of old problems. Both parties have the obligation to seek and propose new ideas.

zone change until he had read it in the Campbell Press.

According to Clark the property may or may not have been posted as to the proposed change, but because Llewelyn dead-ended to the back of the Latimer Ave. property, there was no occasion for Llewelyn residents to go through Latimer and see the posted notices. Robert Stephens, city manager stated that the city no longer carried out the practice of notifying property owners within 300 feet of zone changes.

Council members felt that in this case the hearing should be post-poned for two weeks in order to allow the Llewelyn residents to be better informed and to be heard in the event they still wanted to protest the proposed development.

The hearing will be carried over to the Feb. 12 meeting. At this time council members will have to decide if this is good planning, or if not, why not, before either accepting the proposed zoning or sending it back to the planning commission.

PARK LAND

Council members also directed the city staff members to inform the Santa Clara County Board of Supervisors that the city of Campbell is still interested in purchasing the 3 1/3 acre parcel of property adjacent to the San Tomas Expressway between Rincon Ave. and Campbell Ave. This property, owned by the county, is part of the property the City has proposed to acquire for expansion of Rincon Park, but because the Park bond issue did not pass, funds are not available at this time for the purchase.

The Campbell Seventh Day Adventist Church is now interested in purchasing the property, which has an approximate $70,000 price tag on it. According to Stephens the county may lease the acreage to Campbell for holding purposes for $1 per year.

OTHER ACTIONS

In other actions council members voted to maintain the "status quo" of the city candidates statement of qualifications and directed City Clerk Dorothy Trevethan that she was not to require a statement of qualifications from each candidate filing for election. Mrs. Trevethan stated that a possible $150 printing charge for each statement printed and distributed might be required.

Council members also tabled a resolution changing the name of Casey Road to Curtner Ave. after Councilmen Rose, Homer Hyde and William Smeed reminisced about the sentimental historical value of retaining the Casey Road name.

Blow Sirens

Public warning equipment will be tested at 11 a.m. this Friday, January 26. The test pattern will be a steady siren tone for one minute, a minute of silence and a wavering tone or series of short blasts for one minute.

City and County officials have selected the last Friday in January, April, July and October for testing the mechanical condition of outdoor warning devices. The Naval Air Station at Moffett Field, the Community of Redwood Estates and Stanford University test their warning equipment at the same time.

Planning Director Hogan stated that if the City Council decides that this is the plan wanted, they will have to go into studies as to time and financing, and he alerted the people to the fact that this street development program might affect the timing of other street development. The decision to be made is what is most important.

SENDS THANKS

Dear Sir:

Just a note to say that I had read a reprint of your "How Can It Be?" in the Jan. 16, 1968 issue of the Legal Record that is published in Fresno.

I think it is one of the best things I have read in a long time. I don't usually write a note such as this, but I was told by a friend that we should write a note if we are so inclined.

So..Thank you for the good thoughts. I am also one who wonders...

GET OUT YOUR best bib and tucker and make plans to attend the annual installation banquet of the Chamber of Commerce on Friday night, Feb. 2 at Villa Felice. It has always been a fun affair and you go home with that "I love Campbell" feeling. JOHN FABER, local mortician, has been the master of ceremonies for several years. He has gained an enviable reputation as a serious speaker with mournful undertones in all of his addresses. There were some who wondered if he was presiding over an installation or a funeral....

CHARLIE COLE, handwriting analyst, will be the guest speaker at the Tuesday meeting of Campbell Kiwanis Club.

ST. LUCY'S MOTHERS GUILD will hold a fashion show featuring styles from Town and Country Village on Friday, Feb. 9 in the parish hall. There will be a pre-show cocktail hour and both men and women will model. Tickets may be purchased from any Guild member or by calling 377-8207 for reservations. Sounds like a festive affair.

BOB HOPE, FESS PARKER and a host of other entertainers will give a "black tie" benefit show on Saturday, Jan. 27 at the San Jose Civic Auditorium for the University of Santa Clara. The event is the university's second annual Golden Circle Theatre Party to raise funds for a theatre-music complex on the campus. Tickets for the show are $100 per person. (Ouch)....

DISCARDS LYING around? Even though they'll wait until spring to do the actual selling, Country Woman's Club of Campbell members are already collecting items. MRS. WILLIAM CAVE, 378-3242 is the gal to call!

LOOKING for a bargain in a car wash? St. Lucy's boys basketball team will do the job for 99¢ on Saturday, Jan. 27 at BILL BUCCHOLZ'S Standard Station at the corner of W. Hamilton and San Tomas Expressway between 9 p.m. and 5 p.m. Proceeds will go for new uniforms for the team...

OLEG LUBECKIS, 49 E. Parr Ave. who suffered a coronary in December, is feeling much better and able to put in a few hours a day at his work..

GERALD L. BREUNER, grandson of JOHN BREUNER, who founded the furniture store in 1856, was the guest speaker at Campbell Rotary Club Monday noon. HARRY AHO was chairman of the day.

PTA sponsors dinner for band uniforms

Tonight at 6 and 7 p.m. in Del Mar High's cafetorium, the Del Mar PTA is holding a Spaghetti Dinner with salad and dessert to benefit the school band's uniform fund.

A bake sale and "white elephant" sale of a variety of low-priced goods will be held in conjunction with the dinner, and background music is to be provided for the diner's pleasure.

Tickets for the dinner may be purchased at the door or at the main office prior to the two serving times. School band uniforms were purchased new with the school in 1959 and now are in need of replacement.

IN VARIETY SHOW--Westmont High School's fourth annual variety show Saturday Jan. 27, will have a western flavor this year with the cafetorium converted to the Long Barn Saloon. Upholding law and order is Marshall "Conrad" Dillon (right) with "Chester" Brown (standing rear) helping to capture William Ragent (left) and Jay Russel.

The public is invited. Tickets may be obtained at the door.

City College schedules jazz percussion concert

The public is invited to attend a special appearance of Joe Morello, one of the nation's leading jazz percussionists, at San Jose City College on Thursday, January 25, from 4 to 6 p.m. in room F-7 of the college music building, 2100 Moorpark Ave.

Monday, February 19, is the date set for qualifying tests for men and women interested in attending cosmetology classes at San Jose City College during the 1968 fall semester.

The tests will be held at 1 p.m. in the Cosmotology Vocational Building, room V-7. All cosmetology course applicants are required to take this test, as well as the National American College Test (ACT) examination, before enrollment at the college.

Another "Artist-in-Residence" class on one of the "less popular" instruments will be offered this spring, according to Darrell L. Johnston, director of bands at the college.

Due to the success of the cello and French horn classes at City College this past semester, a class for beginning through advanced oboe players will be offered each Monday from 7 to 9 p.m. starting February 5.

Westmont PTA slates hilarious western variety show Saturday

Don't miss the showdown on Saturday, Jan. 27 between Jay "badman" Russel (director of education), and Marshall "Conrad" Dillon (principal). That's when Westmont's cafetorium will become the Long Barn Saloon, managed by "Kitty" Hicks (dean of girls), and her saloon girls for the high schools' fourth annual variety show.

Such celebrities as gambler Dennis "sticky-fingers" Mason and trick shooter Allan Hauck come there to pass the time of day. They listen to honky tonk piano player Mark Gaetano, while "barkeep" William Ragent (senior counselor), keeps their thirst quenched. Keeping everyone posted on what is going on is "Chester" Brown (freshmen counselor), good friend of Marshall Dillon.

Other talents to be exhibited at the show are Johnny Mathis himself, Mike Slavit (English teacher), doing a comic night club act, and Don Stillwell (boy's dean), on the trombone. Doing short skits on TV shows that never made it are Seniors Jim Quick; Juniors Jon Bernon and Gary Hauck; and Freshmen Ruth Jones and Debbie Arrufat. Completing the show with some good old banjo music will be the Cupertino Banjo Band.

Mrs. Gloria Hauck, PTA representative, wrote the entire script and predicts "This skit is a panic." Helping her with scenery, lights and talent is Susan Hale, drama teacher.

Admission will be 50 cents for 12 year olds and under and $1 for everyone else.

The quarterly meeting of the Santa Clara Valley District of California Garden Clubs, Inc., set for Friday, Jan. 26 at 12:30 p.m., will feature a program on flower arranging by Mrs. George Panaretos of Hillsborough.

The public is invited to attend.

Dessert-bridge

The public is invited to a dessert bridge party at the Country Woman's Club, 272 E. Campbell Ave. on Monday, Jan. 29 at 1 p.m.

There will be individual table prizes as well as a door prize. Both bridge and canasta will be played. Mrs. Marge Morgan is in charge of arrangements. The public is invited to attend. There will be a donation of $1 per person.

WHAT'S DOING?

WNROG NUMBER?

Have you ever received a misdialed call? Most of us have, I guess. And you know, many of these wrong numbers result from the party having the right number in mind, but accidentally dialing one number out of place. And just as one letter makes a big difference in a word, one number makes a big difference in a phone call.

Many people have found three easy ways to help their calls go through faster, easier and with less delay. They are simply:

(1) look up the number before calling;

(2) have paper and pencil near the phone and jot down the number before you phone; and

(3) always watch the dial when dialing.

What's 5 feet 9½ inches tall, has shoulders 18 inches wide and talks in a booth? The answer, according to Bell System engineers, is the average man using a telephone booth in the United States these days. Measurements such as these help us in designing new telephone booths.

But if you happen to be a little larger or smaller than Mr. Average don't worry—the new booths have been designed so that 97 percent of the adult population can conveniently use them. And whether you're an occasional visitor to a phone booth, or "practically live in one" as some people jokingly put it, we're trying to make the phone booths you use as comfortable and convenient as possible.

In the past I've written about the jobs being done by our Campbell Operators, Installers, Repairmen and many more. Now, I'd like to tell you about our specialist in the business field-our Communications Consultant. It's his job to study a particular business, let them know what telephone equipment best suits their individual needs and to answer any questions about their service.The job performed by the Communications Consultant is another of the many services we offer at no added cost or obligation and is a vital part in providing good telephone service.

Erskine Caldwell to speak here

Erskine Caldwell, noted American author of such best-selling novels as "Tobacco Road" and "God's Little Acre", will speak at 8 p.m. Tuesday, Jan. 30 at the West Valley College auditorium, under the auspices of the college's Office of Community Services.

As his topic, Caldwell has chosen "Out of the Caldwell Workshop."

His latest book "Miss Mamma Aimee" is due for release this Spring, while his book of essays "Writing in America" was published last Fall, bringing his total of major works to a dozen, together with thousands of shorter stories and articles.

His "Tobacco Road" was made into a play which had a record run on Broadway, and together with "God's Little Acre" comprise his best known works, on the problems of the tobacco workers in the South, but he is not limited by sectionalism or even nationalism.

Caldwell is described as an observant, widely-traveled man, keenly interested in everything he sees. He has visited every state in the Union and in Europe and South America.

His topic at West Valley College will take a look at America today, with personal observations on life in areas as varied as the Mexican border and the rocky New England shores.

Much of the material may well come from his recent book "Around About America", interspiced with impressions of life in Europe and behind the Iron Curtain.

Tickets can be obtained from the college's Office of Community Services, 44 E. Latimer Ave., Campbell.

Service Notes

Marine Private First Class John C. Allard, son of Mr. Richard B. Allard of 96 Herbert Lane, Campbell, has completed the Automotive Mechanic Course at School, Battalion, Marine Corps Base, Camp Pendleton, Calif.

Through lectures, demonstrations and practical application, he learned about combustion, lubrication and the electrical, power and power transmission systems, as well as the chassis and body.

RESCUE OPERATION

Seaman Dwight L. Deem USN, son of Mr. and Mrs. Grant T. Deem of 45 S. Jane Ann Way, and husband of the former Miss Cindy B. A foot-high silver trophy was presented the captain and crew of the "Loyal Fortunes" which ran aground on the Pratas Reef 170 miles south of Hong Kong.

COMPLETES TRAINING

Marine Private Danny Danilowicz, son of Mr. and Mrs. Rudolf Danilowicz of 1163 Longfellow Ave., Campbell, completed two weeks of training under simulated combat conditions in the fundamentals of day and night patroling, employment of infantry weapons, survival methods and assault tactics at this Marine Corps base.

This individual combat training is given every Marine after his graduation from recruit training. Taught by combat experienced non-commissioned officers of the infantry training regiment here, it prepares the young Leatherneck to become part of the Marine air-ground combat team.

While in the field he was taught how to use hand grenades, a compass and the principles of map reading and land navigation. He learned how to detect and disarm mines and booby traps and, while being exposed to live machine gun fire, he learned to advance safely from one point to another.

From this course, he is scheduled to go on to more advanced training before being assigned to his permanent unit.

Local youth sent to jail

An 18-year old Campbell youth, Wesley Theodore Dethrow of 872 Sobrato Dr., Campbell, has been sentenced to six months in County jail and given three years probation by Superior Court Judge John Rancanelli.

The youth, an apprentice roofer, was apprehended after a San Jose motel owner found 33 bags of marijuana in a pillow slip in the room from which Dethrow had just checked out. Dethrow told the court he obtained the drug from a friend in San Francisco.

Camden Capers

By Gayle Piech

Excited but bewildered was how to describe Marie Fernanda Mendoza as she entered the San Francisco Airport Saturday, Jan. 13, when she began her life as a foreign exchange student to be living in San Jose. Maria is part of the Youth for Understanding Organization.

Due to a mail mix-up, Maria didn't receive the letter from her host family, the Allen Daniels, so she was unaware of where she would be living for the next six months. Her new family met her in San Francisco, and explained the mix-up.

Now fairly settled into her new way of life, this brown-haired, brown-eyed, 16 year old Uruguayan is part of Camden's student body. She is presently enrolled in public speaking, Spanish, U.S. History, art, study hall, and G.A.A.

The American school system is somewhat similiar to schools in Montevideo, Uruquay, with elementary school, two years of colegio (junior high), four years of liceo (high school), two years of preparatory (junior college), and four years of juventud (university).

Maria's father is an eye, nose, ears and throat doctor, and has a family of five daughters. Maria's new American home provides her with a brother, Craig 18, and twin sisters, Caren and Carol, 17 year old seniors at Camden.

SPEECH AND DEBATE

Several Camden students attended an individuals events contest held Jan. 20 at Campbell High School, according to Mr. Herman Osorio, speech and debate advisor.

Participating in the impromptu speeches were Jim Billings, Steve Larson, Irene Throvardson and Debe Williams.

Debbie Hendrickson, Cindy Mannia, Jim Billings, Dean Daily and Berl Beverage spoke in the original oratory speeches.

Dramatic speeches were given by Kendra Hefner and Janice McCubbin. Diane Hefner gave a humorous speech.

Future plans for members of the speech and debate club are participating in the Lion's Club speech contest.

Del Mar Dateline

by Glenda Vitale

Hopefully, Del Mar's newly elected student body President, Dave Shilling, and the three new Student Council members, Jim Watson, Lonna Quement and Ken Rediker will have a lot of fresh, new ideas for the coming semester.

A new editorial staff was chosen by Del Mar's Senior Journalism class for the Galleon. They are Shelby Douthit, Editor-in-Chief, Glenda Vitale, copy editor, Jan Jakubowski, first page editor, Mike Craig, second page editor, Chris Burton, third page editor and Ed Gibson, fourth page editor.

Two Del Mar students received honors in the Elks Club Youth Leadership contest. Awarded $100 for second place was Ann Walter and fellow senior Pat Monahan received the $50 third prize.

Friday night Del Mar captured its sixth straight League win by defeating Westmont's basketball team. Del Mar now has a record of 6-0 and is expecting to gain another this Friday. The game will take place in Del Mar's gym, and starts at 8.

Del Mar had the highest percentage of Student Body card sales, out of the nine schools in the West Valley Athletic league. Sales totaled 1402 cards sold-meaning that 87.6% of the students purchased cards.

The second annual Ugly Man's Dance, sponsored by the Don's Lettermen's Club, will be held this Friday immediately following the game until 11. By voting, the Student Body will nominate Ugly Man of the Year. As with all after game dances, no guests will be allowed. Price will be 25¢ with a Student Body card, and 50¢ without.

Campbell Corners

by Pat Hebard

Last week the wrestlers were really busy. At a meet held at Saratoga, Campbell was again victorious with a score of 43 to 6.

Individual victors were Mike Walker, Pat Wheeler, Roger Garcia, Pete Hendrickson, Vince Bicocca, Bruno Bicocca, Tim Baker, Mike Moore and Tom Jeffery.

Their next meet was with Leigh at Leigh with a score of 55-6, a great team effort.

Saturday was the Westmont Tournament where Campbell's Bruno Bicocca took a first and Pat Wheeler a third.

Last week the basketball team played Saratoga and Leigh. The big game was with Leigh. Not only was there a battle between teams but also a battle of spirit. The Bucs were victorious with a score of 60-38. The Frosh-Soph team won also with a score of 31 to 28.

The school musical, Flower Drum Song, directed by Mr. John Hall, has picked its leads. They are Fran Acken, George Akina, Kevin Barnes and Kathy Bumstead.

A speech meet was sponsored by Campbell last Saturday. Campbell's Steve Rosenthal took a first place along with a second and third for Tim Sapp and a third for Kathy Sowers. Twenty schools participated.

A juke box has been added to the cafeteria to be used during the lunch hours. It was a welcome addition.

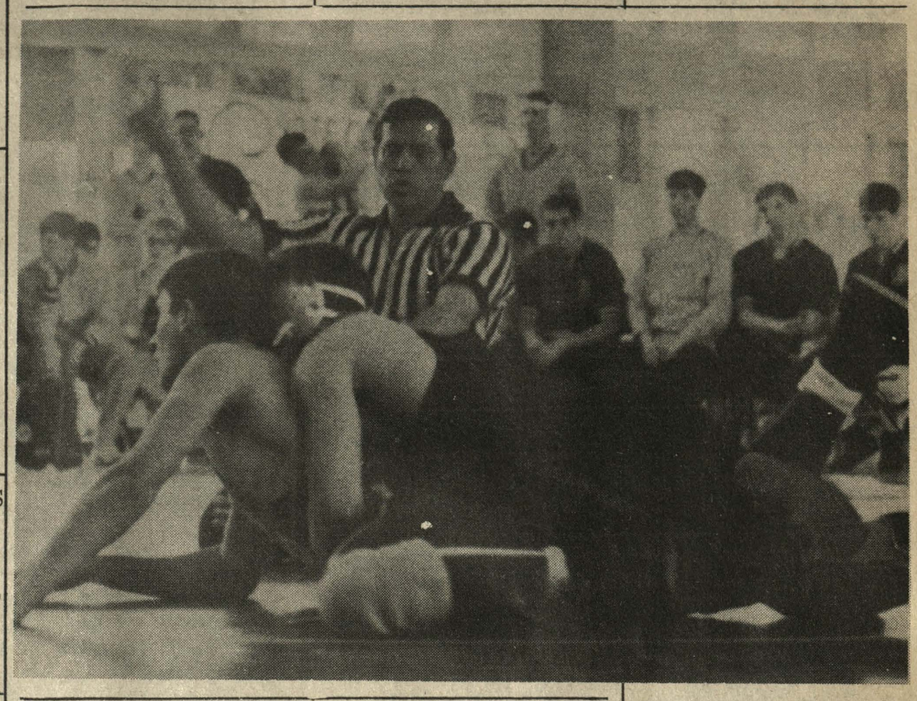
Pictured displaying their trophies are (left to right) Tim Allen and Michael Gray, of the "B" Team, Division Champion; Coach Dennis Craig, Michael Nelson and Bill Kavanaugh, of the "A" Team, Parochial League Champion.



OUCH!! YOU'RE KILLING ME--Pictured in Camden's wrestling match against Blackford is Bob Pifer, 167 pound division, bringing home Camden's only win. Tim Miller, 156 pound division brought in the only other point as he tied. Blackford won 45 to 5.

Del Mar Sports

by Ed Gibson

The Del Mar Don's basketball squad made it a six win-no loss league season last week with wins over Leigh and Westmont, while the varsity wrestlers split their meets, downing Leigh but losing to Westmont.

Loren Toews and Hugh McCain shared the honors as game high scorers with 19 each in the Don's basketball rout of Leigh 80-44, Jan. 16. Todd Martin also was in two figures, 14 for Del Mar.

Bob Lee, who is usually a key man in setting up plays, but never does much shooting himself, came through with 25 points as the high scorer in last Friday's win over Westmont 69-50. McCain with 18, Toews with 14, Martin with 6 and Don Transeth with 5 all contributed to the Don's point total.

WRESTLING

After destroying Leigh 44-3, Del Mar's wrestlers lost a tough one to Westmont, 26-21. Doug Shimada, Werner Haase (pin), Scot Timmons, Roy Paulof (pin), and Bob Smith (pin) were winners of their matches for Del Mar.

Bob Smith was the sole Del Mar wrestler to place in the Westmont Invitational Tournament last Saturday, taking a second in the 193 pound class.

The sports fan

The newest and greatest for "real" sports enthusiasts are bear hunts. We plan to find out the "whys" and "wherefores" and pass the info on to you...This week's bowler is GEORGE MILLER, 206 N. Milton, who had a 233 high with a 600 series at Saratoga Lanes last week. George gets his exercise on Mondays with the "Pants and Skirts" league and on Tuesdays he rolls some more..

Some of our high schoolers rack up some tremendous basketball individual scores...Westmont may have lost to Del Mar, but Collins' 15 pts. sure look good. For Del Mar: McKAIN, 18; Branham beat Los Gatos, 85-61. Big scorers were GOESCH, 23; GARDNER, 17; for the Cats; and MUSGRAVES, 17; BOWEN, 12; RADNICH, 32; for Branham. Campbell royally trounced the Leigh Longhorns, 60-38, with HEDEGARD, 17; HAWTHORNE, 14; adding considerable impetus to the Bucs...Saratoga was on the losing end with Camden, 57-30. For Camden's Cougars, WORSHAM, 20; TROEDSON, 14.....

Got a release from the Oakland A's inviting us to join up with their P.R. tour next couple o' weeks. JOE DIMAGGIO, veep, will be along, as well as players MONDAY, GOSGER, HERSHBERGER, CATER, DONALDSON, FAZIO. They'll be at Mariani's in S.C. on Feb. 2.....

Time for Little League signups. Moreland starts the season Sat. Feb. 3 from 9-2 at Payne School, Gleason Ave. Requirements: A birth certificate indicating you'll be 8 by Aug. 1 and a parent along to sign approval. For 13, 14, 15's a Senior League will be formed. Same sign-up time. Repeat Feb. 10. Info needed? Call PAT AUBRY, 241-1987 or BUD CHRISTENSEN, 248-8533.

They've trapped 134 deer who'd been previously tagged with collars by DFG and the Oregon Game Commission to determine their migration patterns. Seems that reports were that some of the collars used for tagging were too tight and t'was thought prudent to check others. None of the captured deer were suffering from the collars. DFG reports knowledge of deer living seven years wearing collars without ill effects.....

Presentation of awards will be made by Robert W. Brydon, president, board of directors of the hospital.

During the five years of its existence, according to Elton E. Admire, hospital administrator, Campbell Community Hospital has become "a first-class hospital facility serving the community of Campbell".

MODERN FACILITIES

The hospital is a modern general care medical facility designed to accommodate 48 patients, with long-range expansion plans for 120 patients.

Innovation during the past year was the introduction of a coronary care monitoring unit, paid for by public subscription, and which cared for 61 patients with acute heart ailments.

During the previous year, the Campbell Community Hospital Foundation was formed, putting the operation on a nonprofit community basis, with a governing board of seven, headed by Brydon, who is also a member of the West Valley College Board of Trustees.

Also, during the current year, two new members were added to the Board, Mario Saia and Dale Scott, director of the Santa Clara County Taxpayers Association.

Purpose of creating the foundation, Admire said, was "to provide the community with the best and highest caliber of medical care, and to provide a facility maintained at the highest level for the care and treatment of the physician's patients."

Active part of the hospital family is the Women's Auxiliary, which provides the "little extras" so important in a hospital operation.

Campbell Community Hospital is fully accredited by the Joint Commission in the Accreditation of Hospitals. It is affiliated with the American Hospital Association, the California Hospital Association, the Association of Western Hospitals, the Northern California Hospital Council and the Central Coast Hospital Council. It is also licensed by the Department of Public Health of the State of California.

Admire, a former Army officer, is an experienced hospital administrator, heading up more than 150 employees with a payroll of over a half-million dollars annually.

The medical staff is comprised of more than 300 doctors.

Three Campbell firemen complete college course

Three members of the Campbell Fire Department were awarded Certificates of Achievement in Firemanship by Dr. Otto Roemmich, president of San Jose City College, in ceremonies held recently at the college.

Campbell fire fighters receiving certificates included Captain Warren J. Clark, 51 N. Central Ave., Fireman Salvatore Leonardi, 1442 Inwood Ct., and Captain Robert A. Terwilliger, 51 N. Central Ave.

The fire fighters were part of a group of 10 who received the certificates upon completion of the 30-unit Firemanship program at City College.

The program is open to fire fighters employed in a state, county or municipal fire fighting agency and is the only firemanship course offered in the county.

The course is designed to provide employed fire fighters the opportunity to extend their skills and understanding as well as qualify them for advancement and promotion.

In addition to all phases of fire fighting, the program covers related areas such as report writing for public agencies, supervision and administration.

The firemanship program at San Jose City College was developed in 1958.
